Prayer for the Week

*In the lengthening of days and
snowdrops emerging from winter's frozen ground,
We see the Creator's Hand.*

*In the sight of a tiny lamb joyfully bounding across hillside farm,
We see the Creator's Hand.*

*Creator God, forgive our moments of ingratitude,
the spiritual blindness that often prevents us
from appreciating the wonder that is this world,
the endless cycle of nature, of life and death and rebirth.
Forgive us for taking without giving, reaping without sowing.
Open our eyes to see, our lips to praise and our hands to share.
May our feet tread lightly on the road that, together, we travel.*

AMEN

Our Mission in This Month is

Chailey Heritage Enterprise Centre

CHEC CHEC is not a mission as such, but it is a very worthwhile local charity that aims to provide work opportunities for adults with a range of complex disabilities who would otherwise have problems accessing employment. CHEC offers them the chance to work as a team, designing and printing logos for various clubs and societies and marketing a range of gifts and items such as promotional mugs and T-shirts. Another of their tasks is to print Scaynes Hill Parish Magazine. The emphasis is on the use of computer technology

in overcoming the limiting effects of disability. Although it bears the name of Chailey Heritage in its title and occupies premises on that site, CHEC is a totally independent organisation. Costs for attendance at CHEC – presently £70 per day per individual – are met from various sources including corporate sponsorship, local authorities and private arrangements and donations. We at St Augustine's support CHEC with an annual donation. To find out more about their work and products, do please have a look at the display on the notice board and the literature on the book table.
