

# Mission Action Plan **2020-2021**

## **In this season of vacancy, we are committed to sustaining and celebrating:**

- *Our welcoming, flexible, inclusive and generous community, through prayerfully playing our part*
- *Our diverse opportunities for worship and prayer, especially our newer midweek communions, healing services, and creative All Age Communions.*
- *Our commitment to children and young people, through our youth group, Open the Book team, and Sunday Club and Family Fun Church provision.*
- *The Anchor Coffee Shop as a place of hospitality, welcome and care*

## **Wanting to keep growing during this time of vacancy, we are committed to:**

- *Inviting the community in as we celebrate 90 years as a parish in 2020*
- *Forming a new 'Eco Group' to consider how we can become a more Eco-friendly church*
- *Striving to reduce our annual budget deficit, by considering prayerfully our own financial support of the church.*

## **Drawing on insights from our community audit, we are committed to:**

- *Creating and distributing welcome packs for the new houses in the village and seeking to increase the circulation of our parish magazine.*
- *Providing more opportunities for the wider community to contribute to local charities such as FSW and the Foodbank.*
