

**St Augustine's
Harvest Festival
Food Collection for**

We will be collecting items for the FSW Foodbank at our Harvest Festival Service on 6th October. This year FSW are not asking for specific items as they need to replenish all of their stock, which is still running low after the summer. So, if you are able, please consider donating any non-perishable tinned or packet food as well as toiletries & cleaning products, as everything will be very gratefully received.

Donations can be left in the red FSW Food Boxes inside the main church door and in the lobby outside the church annexe.

With many thanks from
the staff at FSW, and the
families & children they
support.
